CHARACTER OF THE REGION

The Mullerthal region is located in the eastern part of Luxembourg near the German border.

The landscape is characterized by a rich natural and cultural heritage. The historical mills and castles are distinctive features of the region

The region is marked by striking sandstone rock formations which form the foundation for tourism.

Tourism is as important for the regional economy as agriculture.

OBJECTIVES OF THE LOCAL DEVELOPMENT STRATEGIE

Theme: Live the Mullerthal region!

Areas of developpement:

- 1. Regional products
- 2. Leisure, culture and tourism
- 3. Training an regional marketing
