CHARACTER OF THE REGION

The LEADER Region Oderland reach around 120km from north to south - belong the borderline to Poland - ca. 40km from Berlin.

Naturepark "Schlaubetal" is located in the South.

The landscape is characterized by big rivers like Spree and Oder and has a lot of seas. It is very interesting for tourism with nature.

The region Oderbruch is a typical and historical area for fruit-growing.

OBJECTIVES OF THE LOCAL DEVELOPMENT STRATEGIE

The LAG Oderland supported new touristic infrastructure and offers which developed and connected routes and built a coordinated network. The regional tourism service providers has built in co-operation a concept for it (LEADER project).

Production, manufacture and Selling regional agricultural and manual outputs.

Generate value for historical characteristic village buildings and traditions.

Services for the public against the negative demographic trends in rural areas.

The projects will get an higher priority if they are innovativ, co-operative, create or assure jobs.

MAJOR PROJECTS

LEADER Co-operation projects:
Coordinated concept for development tourism
Network between horse riding centres
Architecture competition for create pavillions/ bungalows for cyclists (with a limit for costs and with typical architecture village buildings)

Precision farming (parcels of land)

Producing and showing films about successful projects and the rural development in Oderland TV until 2013

IDEAS FOR TRANSNATIONAL COOPERATION

European network with horse riding centres
