CHARACTER OF THE REGION

The area is characterized by the diversity of the landscape. Agricultural landscape interspersed by large forest tracts, mixed (mosaic) of land use and coastal landscape.

Partnership activities in the area and the largest number of companies and employment opportunities in the agriculture and forestry, as well as municipalities.

The Partnership area is scenically attractive and culturally rich. Every municipality is interesting for tourists and holidaymakers and viewable places and objects.

OBJECTIVES OF THE LOCAL DEVELOPMENT STRATEGIE

Territory of the Partnership activities is 13 municipalities of Talsi county, Roja county and Mersrags county.

Talsi county: Talsi, Sabile, Stende and Valdemārpils towns Ārlava, Balgale, Ģibuļi, Kūļciems, Laidze, Lauciene, Lībagi, Strazde, Vandzene, Abavciems and Virbi municipalities;

Roja county

Mērsrags county

All together form compact territory with population 60 % of all population of Talsi county. None of the municipalities in the partnership falls within territory of activities of any other local action group.
