CHARACTER OF THE REGION

NGO Development Centre area comprises local governments from three counties – Harju County, Järva County and Lääne-Viru County.

From the economic aspect, it is a harmonized area with diverse entrepreneurship.

Main fields of activities are agriculture, production and processing (building materials, timber), tourism and recreational activities.

OBJECTIVES OF THE LOCAL DEVELOPMENT STRATEGIE

“Cooperation and development possibilities of cluster based business networks on the Internet”

In course of the seminars and discussions, specific proposals were formed to improve sectoral and cluster based cooperation on the Internet.

MAJOR PROJECTS

Leader strategy main directions:

Two main priorities were chosen based on LAG needs:

- improvement of the living environment;
- using new knowledge and technologies to increase the area's competitiveness in production and service.

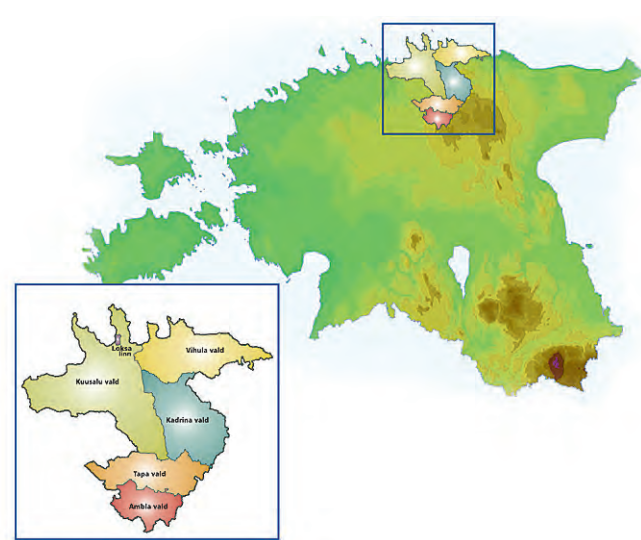

In fulfilling the priorities, the goal is to support and promote local cultural activities and therefore, shape the reputation of the area and also local entrepreneurship and its development. Mapping cultural heritage, preserving traditions and supporting leisure activities of young people are also important.

IDEAS FOR TRANSNATIONAL COOPERATION

International LEADER co-operation project
“Loving local values” (Estonia-Finland).

Aim is to enable interaction and concrete development activities (seminars, study tours, practicing in (each-other organizations) local organizations) within and between two countries rural regions as two neighbor regions close to the Baltic Sea in the fields of local food and handicraft.
