Energy Region

Transnational projects with Italy (energy, mobility, agriculture, tourism, architecture, small projects – people to people)

OBJECTIVES OF THE LOCAL DEVELOPMENT STRATEGIE

Natural space and tourism

Agriculture

Social affairs, economy and education

Regional infrastructure

Energy

IDEAS FOR TRANSNATIONAL COOPERATION

Know-how exchange and networking regarding alternative mobility solutions suitable for sparsely populated rural areas in alpine areas.

Setting up a structure to support work placement and traineeships for students and trainees (based on existing programs).

Creating a joint platform to exchange contents and models for vocational training in agriculture, tourism and marketing.

Austria
