CHARACTER OF THE REGION

LAG Opavsko is situated in the close neighbourhood of Opava city and Polish border.

Our area is 50% covered in woodland and 50% in agricultural land.

We can find here two significant rivers – the Moravice river, that is used for canoeing sports and Opava river.

MAJOR PROJECTS

Presently our main field of interest is to support rural life in our region by investments in civic amenities.

We also focus on investments in cultural and sacred buildings.

Support of business on the field of regional agriculture belongs among the important activities of our organization.

We would like to recover our original traditions to our region.

OBJECTIVES OF THE LOCAL DEVELOPMENT STRATEGIE

Development of regional products

Mutual connection of the production and the market in the city areas Opava and Ostrava

Improvement of traditions and awareness of our region by increasing of tourist potential

Improvement of the education by using of new modern technologies

To increase employment in areas with lower traffic density

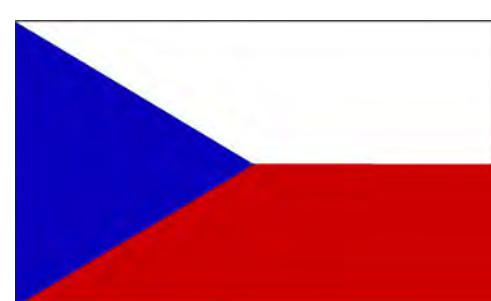

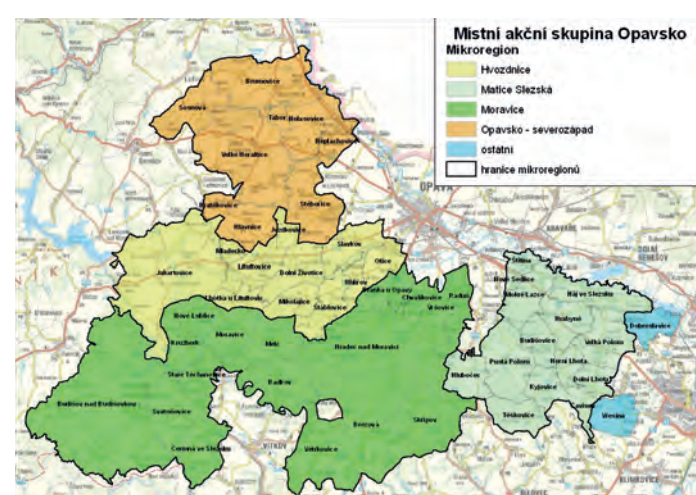

IDEAS FOR TRANSNATIONAL COOPERATION

We are preparing cultural project on the historical basis of courting couple Czech princess Doubravka and Polish prince Miesek.

We can also be useful with support on the field of using technical sights.

Presenting of possibilities of natural parks Moravice and Hvozdnice for canoeing and tourism.
