CHARACTER OF THE REGION

- periurban region
- the landscape shows a great diversity: deep valleys contrast with hilly slopes and plateaus
- the Luxembourg Sandstone is the ideal stock for groundwater - abundant springs
- the region is reputed for its rich cultural heritage with prehistoric and ancient refuges, remains from Roman time, medieval citadels, castles and important religious and industrial monuments

OBJECTIVES OF THE LOCAL DEVELOPMENT STRATEGIE

Main theme: On the way to become a region

Areas of development:

1. Tourism and leisure
2. Natural and cultural heritage
3. Active villages
4. Together we are strong - (consolidation of the regional identity, regional marketing)

MAJOR PROJECTS

- Design of a strategy to guide tourists through the region and creation of an information network for tourists
- Package of measures for local producers and farmers with an educational offer: further learning, market studies and marketing actions
- Creation of a branding name and a logo for the region and its spreading through the region

IDEAS FOR TRANSNATIONAL COOPERATION

- Creating offers for kids to get to know the natural and cultural heritage of their region (das Gute liegt so nah/ the best things are next to us)
